THE
ISLAND
OF MAURITIUS

Awaken your **SENSES**

Scintillating waters, dazzling white sand,
cerulean skies... Mauritius is a tale of
enduring beauty. Beauty so riveting,
it seems otherworldly.

Beauty that trickles into the
seemingly ordinary.

Look for it. Feast your eyes, your ears, your
senses. Feel it. In the silky sand beneath your
bare feet. In the murmur of the waterfalls.
In the colourful, intricately carved temples.
In the tangled scent of spices. In the balmy
night and salty air. In the soul-stirring beats of
the ravanne. In the palpable pull of history.
And in the earnest smiles of its people, rivalled
only by their generous, boundless hospitality.

Rejuvenate as the
SUN RISES
before your eyes

Greet the sun as it bathes the shores in soft hues of pink. Your face aglow with the first golden rays. In the distance, the faint chirping of birds; a fisherman casting his net into the sea, utterly carefree and content.

Welcome to the East Coast, a place of raw, untamed beauty – where a new day dawns, and fleeting minutes of tranquillity feel timeless.

Here, a wonderland of untouched beaches stretch along the coast, beautifully unassuming. Let your mind wander to the soothing sounds of gentle waves and gaze at the sun's last spectacle, as it sinks behind the horizon in a blaze of fiery red.

Discover intoxicating
FLAVOURS
from different horizons

Stepping onto the vibrant streets of Mauritius feels like travelling back in time. The pounding of masala with a time-honoured grinding stone; the cracking of oil in a steaming wok and bamboo baskets brim-full of local dumplings. These are the sounds and flavours of Mauritius' traditions strutting proudly. For every aroma is a window to its rich past.

It's the thread that weaves through the fabric of life, history, and culture, which has endured through the ages and binds us to one another. A badge of pride, of our camaraderie and fellowship. A symbol of our authenticity, our shared diasporic identity, of the unity we find in our diversity.

Feel the
**ADRENALINE
RUSH**

Sail to hidden coves, go deep-sea fishing, or dive to uncover coral reefs, caves and famous shipwrecks. Explore ever-changing landscapes, trek through lush, ancient volcanic reserves, swim beneath waterfalls, zipline through giant tropical trees or quad bike off the beaten track. And of course, Mauritius is also home to a number of distinguished championship golf clubs, where you can tee off against a backdrop of swaying palms and sparkling ocean.

Making Mauritius **HOME**

Our idyllic island lies off the southeast coast of Africa in the Indian Ocean, east of Madagascar, and is blessed with a mild tropical maritime climate. With white sandy beaches and translucent lagoons stretching all along its 170km coastline, calm, protected waters are yours to enjoy year-round.

Mauritius is a harmonious melting pot of ethnicities, with over three decades of sustained economic growth and noted political stability. This makes it an attractive destination for global commercial investors, not to mention private home owners.

WEATHER

Mauritius enjoys an ideal climate year-round, with temperatures averaging 33°C / 91°F from October-April (Spring/Summer), and 24°C / 75°F from May-September (Autumn/Winter).

LANGUAGE

The official language of Mauritius is English, although French and Creole are also commonly spoken among locals.

CURRENCY
